Product Care & Maintenance

Foils, Veneers and Melamine Care Instructions

We want you to enjoy your Fantastic Furniture for as long as possible, with simple care and maintenance you will extend the life of your furniture.

Dust regularly to prevent dirt build up, for regular maintenance a damp cloth is all you need. If you have stubborn dirt, use mild soapy water and dry with a soft cloth. Ensure you wipe up spills immediately. Use specialised cleaning products for chrome and stainless steel.

Do not use abrasive cleaning products and make sure your furniture is not exposed to damp or wet environments, as this may course erosion.

Check all your furniture hardware (screws, nuts and bolts) to make sure they are not loose and tighten regularly to help keep the product looking its best for years to come.

These care instructions are a general guide – for any specific instructions check your product care label.
