**WARNING: ENSURE THE WALL STRAP IS ATTACHED TO  
AVOID SERIOUS INJURY.**

To avoid any serious or fatal injury, this product has been provided with a wall strap to prevent toppling. We strongly recommend that this product is permanently fixed to the wall or other suitable surface. Fixing devices are not included since different surface materials require different attachments. Please seek professional advice if you are in doubt of what fixing device to use.

**GLASS SHOULD ALWAYS BE HANDLED WITH CARE**

Scratches, chips, sudden changes in temperature and hairline fractures may cause the glass to break. This glass is designed to break into small, relatively harmless pieces and not sharp fragments.

Avoid placing hot or cold items directly onto the table unless using a thick insulation material such as placemats or coasters.

Avoid dropping objects onto the glass. Do not allow hard or pointed objects to come into contact with the glass. Never use the top area as a chopping surface. Do not sit or stand on the glass surface.

**Recommended Weight Capacity 40 kg**
