Assembly and Maintenance Tips

1. Keep children and pets away from the working area as small parts may cause choking if swallowed.

3. To protect the surfaces of the furniture, lay the parts and perform the assembly on top of a soft mat (such as a carpet or cardboard).

---

4. Keep the furniture away from direct sunlight to avoid fading.

5. Use a soft, damp cloth to clean or wipe surfaces.

6. Never use ammonia-based or abrasive cleaning products to clean as they may damage the finish.

---

! Bulky items such as wardrobes should be assembled in the location when the assembled piece will be used to avoid moving them through doors or tight passages.

! Never use any glue until you are certain that the parts belong together.

! Periodically check that all connections are secured and follow all care and maintenance instructions stated.
